

After going through some changes over the past few months, the youth group has continued to keep moving forward. We have finished 2011 strong with three baptisms in October and November, as well as having a couple of new youth join the group.

The group of young adults are a tight-knit caring group, demonstrated by the support they provide each other when a heartfelt testimony is given, as well as the outreach they provide to Andy's Project. (A local mission which provides food, clothing, and other essential items to the homeless in Indianapolis.) In fact, approximately 8 youths woke up at 5:00am on Saturday December 10, and feed the homeless in 17 degree temperatures. We are fortunate to have such a caring and giving group of kids.

Looking forward, the youth leaders have several events planned and in the planning for the remainder of December as well as the next several months. Events such as: a Lock-In at the church on Monday December 26<sup>th</sup>, led by Alannah and Carmen, a Friday Night Special, and, in March, possibly attending a Christian Band Concert (consisting of 10 bands) in Indianapolis.

The Andy Project is a revolutionary movement, designed to spread hope and love in a broken city. This project was designed by high school students for Jr. and Sr. High school students. It is an outlet to serve and give back in their community.
